# Lukka Evo Smart Toilet

LK-EVSMWHT-T6

Small body, big wisdom,  
to meet your different needs.

Compact  
Design

Smart  
Experience

Powerful  
Cleaning

Safe  
Protection

WALL MOUNTED TOILETS OFFER  
A VASTLY DIFFERENT EXPERIENCE.

## Easy to install, more worry-free

✓ Low decoration cost  
no risk of water leakage.

✓ Space-saving No need  
to reserve panel space

✗ Installation requires smashing  
the wall, which is costly.

✗ Big space and is not suitable  
for many types of house.

## Product parameters

The size is subject to manual measurement  
and there may be errors, please refer to the actual product!

Product name:

Intelligent  
wall hung toilet

Product size:

580x400x420mm

Drainage Pattern:

P-trap

Flushing Method:

Siphon Jet Flushing

Rated voltage:

AC220V 50HZ

Power wire length:

1.5m

Product material:

Cover:PP  
Toilet Body: Ceramic

Ground clearance:

100mm
